Who is "IMOUTO"?

• Prologue

What's the true identity of this voice that calls for him?!

The president of the International Mikadono Group Corporation,

Mikadono Kumagorou, my late father. Unfortunately, he has already passed away.

Though, I'm quite sure I didn't have any regrets left for him.

!?

W-WHO IS IT?!

Ah, I'm glad I found you. There are a lot of people here, and I didn't want to get too close to them.

Onii-sama, over here!

ﾌﾆｰ ﾌﾆｰ

!?

...I'm onii-sama's little sister!

I...

WHAT THE... B-BUT I... A LITTLE SISTE-

MY LITTLE SISTER..?!

...I have come to marry you.

Just who in the world is it..?

Excuse me, I'm coming in now.

MARRY MY YOUNGER SISTER..? WHAT THE... WHY IN THE WORLD WOULD I DO THAT..?

Seri-san...

You look rather suspicious.

Shougo-sama,

What were you doing..?

.....

Ah, no...

Shougo-sama, Kanoko-sama is calling for you.

Mother..?

I was probably hearing things.

Probably.

I thought I heard somebody's voice, so it's been on my mind for a while...

この中に１人、妹がいる！

I will tell you what your father, Kumagorou, has written on his will for you.
Shougo,
I've been waiting.
Mother, how could I be of assistance to you?

However, I never expected that my late father would have concealed a child.
The voice from before was just an illusion.
After that,
I heard a rumour that my father had hidden a child inside the Mikadono Group.

I didn't think about it either.
Since then, I figured that I've never actually had a younger sister.

A day of spring has arrived after more than a year has passed. And until we meet these girls....

I figured that since CuteG was involved in the creation of this manga, I'd throw in an actual picture drawn by CuteG. Unfortunately, since I don't quite sort my anime pictures, I got bored and just took the first one I could find. Oh well.

Anyways, yeah, I'm picking this project up. It was only six pages long for the Prologue, so why not claim it. Easy stuff. I enjoyed redrawing the right-side of the last page, which originally had those hideous bars with text in them saying "new serialization" and other crap nobody likes to see.

Anyways, enjoy. It's a monthly. There's no actual description yet, because the story hasn't been decided upon. - Sayori
